Fiscal Year 2007-2008 Annual Report Financial Results

Subsequent to Board adoption of the 2007-2008 fiscal year budget, the date of the Annual Rolling Hills Country Club Foundation charity golf tournament (of which CASA Jeffco/Gilpin was the beneficiary) was rescheduled from July 2007 to June 2007. This date change necessitated the revenue recognized from this special event, amounting to approximately \$155,000, be done so in the 2006-2007 financial statements. This revenue was allocated to fund fiscal year 2007-2008 operations.

CASA Board Chair Honored At West Chamber's Outstanding Women Celebration

In November, the West Chamber celebrated the lives of 10 women and their outstanding contributions to the Jeffco community. When we nominated our Board Chair, Jan Podoll, we knew she'd be a winner. Jan's dedication to her career, family and many friends has never been a deterrent to being fully engaged as a volunteer and community leader. She has committed countless hours and great heart to helping others.

For the past seven years she has served on our Board. Her commitment to the stewardship of our Program has been an invaluable part of our success. She is currently serving her second term as Board Chair. Those of us privileged to work with her see first-hand her commitment to stay the course through the inevitable ups and downs. She really is willing to "walk through fire" to ensure the success of a cause she so deeply cares

for. We are so proud to have Jan as such a valuable member of our CASA family. Our hats are off to her.
